Introducing the EG4 WallMount All Weather Battery - the ultimate energy storage solution for all your solar power needs. This cutting-edge 48V 280Ah Lithium Iron Phosphate (LiFePO4) battery ...

Upgrade your energy storage with a 12V 280Ah LiFePO4 battery, ensuring long-lasting power and superior performance. Ideal for RVs, boats, and off-grid systems

Featuring a nominal capacity of 280Ah and capable of a continuous 1C (280A) charge/discharge rate -- with short bursts up to 2C (560A) -- this cell is built for performance. It supports up to 6,000 life ...

With an impressive 280Ah capacity and high energy efficiency, this battery is ideal for energy storage systems, electric vehicles (EVs), and off-grid power solutions, offering long cycle life and stable ...

Reliable 14.33kWh 48V LiFePO4 battery with IP65 protection. Modular, floor-mounted energy storage for homes and businesses. UL & CEC certified.

EVE LF280K 3.2V 280Ah LiFePO4 prismatic battery cell offers ultra-high capacity, 8000 cycles, and exceptional safety for energy storage systems.

The battery uses high-quality LiFePO4 (Lithium Iron Phosphate) cells, known for high safety, thermal stability, long cycle life, and low degradation, making them ideal for residential and commercial ...

The 12V 280Ah battery is equipped with advanced Bluetooth monitoring, Low Temp Cutoff, and Grade-A cells for superior performance. Perfect for RVs, solar, and home energy storage.
