Simple installation, rack stacking or battery cabinet installation, small footprint, low economic cost. Max. 15 units in parallel with same specifications. Equipped display and SOC indicator light, easy to ...

Our team specializes in custom 48V lithium solutions for e-mobility, solar storage, and industrial applications. Get professional guidance on chemistry selection, BMS configuration, and ...

Ideal for off-grid/solar systems/home storage, the powerful LiTime 48V 100Ah LiFePO4 battery energizes your way. As a versatile and durable companion, it smoothly powers any indoor or outdoor ...

It has a compact yet powerful 5120Wh energy capacity, and the battery pack consists of 16 3.2V 100Ah cells connected in series, on par with four 12V 100Ah LiFePO4 batteries in a 4S ...

The 48v 100Ah LiFePO4 battery pack is compact, easy to install, free of maintenance and is used as the building block of energy storage system by assembling in parallel.

Designed for ease of use, this 48V solar battery is lightweight, compact, and simple to install. Whether it's for your home or a mobile setup, the hassle-free design ensures quick installation without the ...

High-performance 48V batteries for solar, backup, and off-grid energy. Choose lithium or deep-cycle options for long-lasting power.

Discover the 48V (51.2V) 100Ah LiFePO4 lithium battery for solar energy storage. Bluetooth monitoring, low-temp protection and upgrade BMS for safe performance.
