---

JA D30 Series bifacial modules are assembled with 11BB PERCIUM cells in half cut configuration with glass on front and back. D30 series modules have a slightly larger footprint than D10 series.

Land Freight: Suitable for neighboring countries or regions.

Sunpal's PERC BiMAX5 bifacial double glass solar panels are designed for minimal maintenance, thanks to their durable double-glass construction and high-quality materials.

New Arrival MONO Half-Cut / Double Glass Module 540w Mono Solar Panel 1.High module conversion efficiency up to 21.38% by using innovative Half-cell design and Multi-busbar (MBB) cell technology. ...

DAS Solar Co., Ltd. Solar Panel Series DAS-DH144PA 540W-560W P-Type Bifacial Double Glass Module. Detailed profile including pictures, certification details and manufacturer PDF.

With core products covering high efficiency Perc mono half-cut bifacial module, BIPV laminated double glass module, Perc mono/poly framed solar panel, solar power system etc, at present, Rixin ...

Encased between two layers of tempered glass, this panel provides exceptional mechanical strength and environmental protection. The dual-glass architecture enhances resistance to moisture, UV ...

Mogen Solar MG10 Perc monocrystalline single glass 540-555Watt photovoltaic solar panel. The new series integrates 182mm silicon wafers, with perc, multi-busbar cell technology and high-density ...
