Save this place to a Trip, where you can track your faves and get personalized picks as you plan. The "Mother of Cities" was founded in 1537, and declared independence from Spain in 1811. The ...

An Outdoor Photovoltaic Energy Cabinet is a fully integrated, weatherproof power solution combining solar generation, lithium battery storage, inverter, and EMS in a single cabinet.

But when Asuncion's shared storage model slashes electricity bills by 40% for local businesses *cue jaw drops*, suddenly everyone's listening. This innovative approach combines ...

Explore Asuncion's holidays and discover the best time and places to visit.

One of the oldest settlements in South America, this sprawling metropolis is home to some striking architecture, fascinating museums, colonial gems and a recently upgraded coastal ...

Asuncion is the capital and largest city of Paraguay. Unlike other capitals of South America such as Buenos Aires, Quito or Lima, Asuncion is off the beaten path as it lacks well known tourist attractions.

Located near Asuncion, this hybrid facility combines 50 MW solar panels with an 80 MWh lithium-ion battery. It addresses solar intermittency and provides backup power for 15,000 households.

Next-generation battery management systems maintain optimal operating conditions with 45% less energy consumption, extending battery lifespan to 20+ years. Standardized plug-and-play designs ...
