Should you put a green locker in a living room?

A creamy locker can be an alternative to a TV console or some other console or vanity, it will give much storage space. A single green locker placed in a living room doesn't look too bold, bulky or rough, thanks to its soft color.

Can a locker fit in a modern room?

A locker can be part of a mid-century modern, contemporary, Scandinavian, industrial, vintage and farmhouse interiors, though, depending on the look, you may incorporate it into almost any space. If you choose a modern locker, which comes in several different designs and very soft modern colors, it can really fit any room.

Should you add a locker to a modern interior?

Incorporating a vintage piece or two into a modern interior is a very popular solution now, and including such pieces into your space gives it a character and a story. One of such items you may add is a locker, an industrial metal storage unit that can totally change the game.

What are stylish locker ideas?
