Are there illegal electricity connections in Windhoek?

Illegal electricity connections are also common, especially at informal settlements such as Havana, Babylon and Okahandja Park. Residents allegedly pay those with electricity meters weekly or monthly fees. The City of Windhoek has warned residents against illegal sewerage and electricity connections.

How safe is Windhoek?

Windhoek is not very safe. Crime rates are high, with significant concerns being theft, hacking, and carjacking. You should always be especially careful and monitor your things when in this city. However, you can also go on a Cats Unlimited expedition just outside of Windhoek and help with the conservation of big cats and other mammals.

Why are Windhoek residents building their own toilets?

RESIDENTS of Windhoek's informal settlements are resorting to illegal electricity and sewerage connections, raising safety and health concerns as the municipality warns against unapproved structures. 8ste Laan, Otjomuise resident Samuel Jonas says building their own toilet nearly a decade ago improved his family's sense of safety and dignity.
