What is a retail service counter?

From the cash register to surrounding floor space and aisles, our retail service counter solutions encompass the entire checkout experience. They serve as the gateway to your store's success, enticing customers to make a final purchase before exiting.

What types of service counters are available?

Our service counters are available as 4 ft and 6 ft options, in black, white, cherry, maple and gray. For custom finishes or assistance with picking out the right counter for your store, contact us at 1-800-842-5501. Next to showcases, cash wraps and point of sale service counters are among the most important retail store fixtures.

What are the most important retail store fixtures?

Next to showcases, cash wraps and point of sale service counters are among the most important retail store fixtures. Your check out area is the customer's last interaction at your store, so make sure your service counter display is well-designed and efficient. Utilize the right counter and increase sales!

What are the benefits of a store service counter?

Store service counters are also useful outside of retail. Business and medical offices benefit from professional edge that comes with a service counter. See our Reception Station! First impressions are everything!
