Many Mansions is a non-profit organization that provides well-managed, service-enriched, affordable housing to low-income residents.

It takes about 4-5 seconds for the wind turbine to make one revolution (but at this time, the wind blade tip speed can reach more than 280 kilometers per hour, which is comparable to high-speed rail), and ...

The meaning of MANY is consisting of or amounting to a large but indefinite number. How to use many in a sentence.

Wind is the third largest source of electricity in the United States, with 40 kWh produced annually. The energy generated from a single rotation of a wind turbine operating at optimal speed ...
