Features Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, AZE manufactures custom NEMA 3R enclosures.

This manufacturer and trader mainly sells to Aruba, Switzerland, and the USA, offers full customization and design-based customization, and collaborates with Fortune 500 companies.

These cabinets are UV-resistant aging, corrosion-resistant, acid and alkali resistant, wind-resistant, waterproof, and shock-resistant, with a more robust and durable structure.

New Estap designed outdoor enclosures are rugged, antivandal and suitable for all hard conditions. Perfect, safe solutions for housing valued and important devices.
