What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

How do I order a custom Telecom cabinet?

Browse our stock and give us a call at (904) 674-2976 or contact us online to order a customized cabinet to fit your specifications. Our team of experts is ready to help you find the ideal solution. We offer a variety of outdoor telecom cabinets and telecom boxes to fit your needs.

Can telecommunications equipment be terminated outdoors?

One of the biggest challenges of terminating your telecommunications equipment outdoors is finding outdoor enclosures that will be able to properly withstand the elements. Temperature, moisture, ice, shock hazards, and UV damage are all potential dangers to consider before purchasing an outdoor enclosure or cabinet.
