Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

Are all lithium batteries certified?

All lithium batteries have been certified, including KC, ROHS, CE, UL1642, UN38.3, BSMI, etc. Dimensions are required to assist with your request. Please ensure they are accurate above. All our lithium batteries can be customized with battery packs. Contact us with requirements. The technical team creates tailored designs.

Why should you choose a lithium-ion battery for Your Cleaning equipment?

Our custom lithium-ion batteries power a wide range of cleaning equipment, such as floor scrubbers, vacuum cleaners, ride-on sweepers, and pressure washers with superior performance and longer run times than traditional lead-acid batteries. In addition, professional cleaning demands efficient and durable battery solutions.

Order custom battery packs at Voltaplex. As a trusted custom battery pack manufacturer, we specialize in custom lithium battery packs designed to meet unique energy requirements.

Koxin specializes in custom lithium battery packs, coin cell & polymer Li-ion batteries, and smart BMS solutions. We provide small-scale, niche battery products with reliable quality and OEM customization.

Ufine Battery offers professional custom lithium battery solutions, with various types, capacities, and personalized options. Contact us for expert guidance.

As a global leading custom lithium battery packs manufacturer, Grepow offers professional custom lipo battery packs, lithium ion battery packs and custom BMS solutions.

We provide designing and consulting services for maximum time and cost efficient product development to companies developing battery packs for electric bicycles, motorcycles, industrial equipment, and ...

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld
