Is Leclanche a pure play energy storage company?

Leclanche is the only listed pure play energy storage company in the world. Leclanche was founded in 1909 in Yverdon-les-Bains in the Swiss canton of Vaud. The company is named after the Leclanche cell invented and patented by the French scientist Georges Leclanche in 1866.

What does Leclanche do?

Leclanche develops, designs and manufactures complete battery storage solutions covering the entire technology chain from cells to pack solutions for Hybrid Electric Vehicles (HEVs) and Battery Electric Vehicles (BEVs), as well as complete, energy storage solutions for utilities, grid operators and other large scale energy storage applications.

What is Leclanche's E-transport solutions?

Leclanche's e-Transport Solutions team powers the electrification of transport (trains, vessels, trucks and more) through efficient, proven and reliable energy storage solutions. This group creates custom low-voltage battery systems for a wide range of demanding applications.

How many employees does Leclanche have?

It currently employs over 350 staff and is listed on the SIX Swiss Exchange (ticker symbol "LECN"). The company has its headquarters in Yverdon-les-Bains, Switzerland and production facilities in Willstätt in the state of Baden-Württemberg, Germany. Leclanche is the only listed pure play energy storage company in the world.

Leclanche is a company in the energy storage solutions sector focused on lithium-ion technology. The company develops, designs, and manufactures battery storage systems, including cells, modules, ...

Leclanche SA is a Swiss energy storage solutions provider founded in 1909, combining German engineering and Swiss precision to deliver fully vertical ...

Manufacturer of lithium ion energy storage solutions. It provides battery cells, modules, battery management systems, and energy management software for stationary applications.

Aimed at reducing the cost, complexity and environmental footprint of stationary energy storage system (ESS) installations, Leclanche has launched a modular battery storage solution ...

Leclanche SA is a global leader in advanced energy storage solutions based in Yverdon-les-Bains,

Leclanche energy storage solutions
