-----

The 545W monocrystalline solar panel from Longi is ideal for self-consumption and industrial solar installations. These modules offer high quality and durability, manufactured with monocrystalline ...

Good for distributed generation applications; Matches with various inverters and optimizers; Avoids wiring loss. Gallium-doped technology overcomes LID degradation and guarantees the long-term ...

Greentech Renewables supplies LONGi Solar 545W 144 Half-Cell 1500V Silver Bifacial Solar Panel, LR5-72HBD-545M and other pre-qualified solar equipment from LONGi Solar through ...

Designed by LONGi, this high-performance module is optimized for commercial and industrial installations. The half-cut cell technology reduces shading loss and enhances energy output, making ...

LONGi module product model comparison to help you quickly make product selections.

The Solar Panel 545W - Longi is a high-efficiency monocrystalline panel designed for maximum power output. With 21.3% efficiency, durable construction, and a 25-year warranty, it is perfect for ...

The Solar Panel LONGi 545W Mono PERC XL panel delivers max energy in a compact size, ideal for homes & businesses. It's high-efficiency with a 545W power output.

LONGi LR5-72HBD-545M is a PV module fit for both residential and commercial applications. LONGi engineers made the Hi-MO 5 series durable and efficient while minimizing the amount of useful ...
