Where are solar PV cost data taken?

Data are taken from the Microgeneration Certification Scheme - MCS Installation Database. For enquiries concerning this table email [fitstatistics@energysecurity.gov.uk](mailto:fitstatistics@energysecurity.gov.uk). Small scale solar PV cost data for 2024-2025 published. Small scale solar PV cost data for 2023-2024 published. Small scale solar PV cost data for 2022-2023 published.

How much do solar panels cost in the UK?

Now, that's out of the way let's look at some numbers and solar panel prices. The infographic below will give you a good idea of approximate costs. Starting with some base figures, solar systems in the UK start around the  $\pounds 3,500$  mark but often top out at  $\pounds 20,000$ . To put that in perspective, let's look at a case study of a typical UK house.

How much does a photovoltaic system cost in the UK?

o A household in the UK installs a 5kW photovoltaic system costing  $\pounds 8,000$  (average cost), which would generate approximately 4320 kWh of electricity annually. o The annual SEG income in the UK would be  $\pounds 324$  per annum.

How much does solar PV cost in 2025?

In 2025, most homeowners pay a mid four-figure amount for solar PV, with total price driven mainly by system size (kW), roof complexity and equipment choices. The table below shows indicative installed costs for a typical UK home (including installation). Use it as a starting point -- your quote may be higher or lower depending on your property.

Small scale solar PV cost data for 2018-2019 published. This table contains information on the cost per kW of solar PV installed by month.

Discover typical UK solar panel installation costs and savings in 2025. Compare whole-of-market home solar quotes by postcode with EnergyPlus.

Collecting a contemporary UK dataset of 2010-2021, we analyze the historical levelized cost of electricity for several PV system sizes, project until 2035, and conduct a sensitivity analysis.

Commercial solar panel costs in the UK pricing factors, ROI expectations, and financing. Get the facts from Britgreen before investing.
