Discover the latest power outages and outages in your area with PowerOutage . Track, record, and aggregate power outages to stay informed and prepared.

If there is not an icon over your residence, it does not mean your outage report has not been received. Icons are placed over problem areas, not individual addresses.

Visit DTE Energy's Outage Center to report your outage and check the status of an outage for your home or business. You can also view our outage map.

Welcome to PowerOutage 's home for real-time and historical data on system performance.

We track and aggregate live outage data from utility providers nationwide, offering a comprehensive view of current power disruptions and affected areas. Use our interactive outage map or browse the ...

View current power outages in your area, estimated times of restoration or report an outage from the Duke Energy outage map.

If your power goes out, we can send you an Outage Alert letting you know when to expect your service to be restored. We need to have up-to-date contact information for you to send you alerts. Please be ...

PowerOutage is an ongoing project created to track, record, and aggregate power outages across the United States.
