The Pradhan Mantri Surya Ghar Muft Bijli Yojana is one of the Government of India's most ambitious schemes aimed at reducing electricity costs for households and promoting renewable ...

The Union government on Tuesday (Feb 3) informed Parliament that over 28 lakh households across India have benefitted from rooftop solar installations under the Pradhan Mantri ...

The scheme also contributes to broader national goals. By promoting decentralized power generation, PM Surya Ghar Yojana reduces pressure on centralized power plants and transmission ...

In this paper, we propose an incentive rate structure for rooftop solar panels to fairly unlock the potential of such distributed energy resources.

No, community solar is not inherently a pyramid scheme. While some unethical actors may exploit the concept, legitimate community solar programs offer genuine cost savings and ...

Grid Connected Solar Rooftop Programme: Launched by Ministry of New & Renewable Energy to achieve a cumulative installed capacity of 40,000 Megawatt (MW) by March 2026 from ...

This tool uses images from Google Earth and analyzes the roof shape to provide you with a personalized solar plan, taking local weather patterns into consideration.

In this article, we will assess the power generation capacity of rooftop solar panels. We will explore essential aspects such as efficiency, configuration, and geographic influence. Furthermore, we will ...
