Explore Schneider Electric Uninterruptible Power Supply (UPS) solutions, including Data Center, Network, Home & Office UPS, Replacement Batteries, Bypass Panels, and more.

Saudi Arabia has proudly achieved a monumental milestone by energizing the Bisha battery energy storage system (BESS), a groundbreaking project completed in just 11 months.

Designed to protect sensitive electronics and infrastructure, our UPS solutions are available in online double-conversion, modular, and line-interactive formats.

By embracing BESS technology, Saudi Arabia can solidify its position as a leader in the region's sustainable energy transition and pave the way for a robust EV ecosystem.

We are a reliable partner for all your UPS power supply requirements. For us, the number one priority is to provide superior-quality products from top international vendors while offering competitive pricing.

Saudi Power Procurement Company (SPPC) invites Request for Qualification (RFQ) for Group 1 Battery Energy Storage Systems (BESS) having Combined Capacity of 2,000 MW across Saudi Arabia on ...

SPS provides a complete range of both 1-phase and 3-phase UPS products to ensure a constant supply of clean and reliable power for mission critical and industrial applications.
