The Severn Trent Water website is the place to manage your account. You can keep up to date with news and learn about water quality and Severn Trent Water's services

We provide over eight million people across our region with fresh, clean drinking water every day - that's about two billion litres. And when they've finished with it, we take it away again and clean and treat it ...

You may have been moved to our new system. Select where to log in based on your Severn Trent account number.

These are massive changes - a real investment into our water, the environment and the places we all call home. Roughly two-thirds of the funding for our plan will come from shareholders and lenders, ...

Find answers to common questions about billing, blockages, flooding, manholes ...

We're applying for a drought permit to increase the amount of water we can pump this winter out of our Foremark and Staunton Harold reservoirs near the River Dove.

For our customers who live at Aurum Green, you receive your bill from South East Water who bill for wastewater services on our behalf. If you have a query or ...

Not only does switching to a water meter help reduce your bills, it makes environmental sense too. Apply for your meter now.
