Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Our 72-VOLT LiFePO4 batteries deliver unmatched performance for Solar Storage applications. With military-grade construction, smart BMS, and proven reliability, these batteries outperform traditional ...

Designed for versatility, it supports lithium, lead-acid, and LiFePO4 batteries, featuring a built-in lithium activation function. With multiple protection mechanisms and smart monitoring, this inverter ensures ...

Our multifunctional inverter unlocks true energy freedom. Seamlessly power 110V-240V standard appliances - whether in your car, boat, RV, or with home solar/wind power systems.

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

Designed for versatility, it supports lithium, lead-acid, ...

With a powerful 6000W pure sine wave output at 220/230V AC, it meets high-energy demands. It is ideal for off-grid solar photovoltaic systems, providing efficient power solutions for various applications.

Shop for a high-quality 6000-watt Solar System online from SunGoldPower. Explore our range of efficient solar solutions to power your home or business. Place your order today!
