Yellow box junction fines are issued to drivers who stop within the yellow box when they are unable to clear the intersection. This is considered an offense because it can block the flow of ...

A question frequently asked is "can you stop in a box junction?". The answer is yes, but a yellow box junction must not be entered unless your exit road is clear.

Whether you need to turn left, right or drive straight on, if you're prevented from doing so by traffic up ahead, you need to wait until there's space for you to clear the box entirely without...

The only time you can legally stop in a yellow box junction is when you're turning right and waiting for either a gap in oncoming traffic or another vehicle to turn right.

Learn everything about a UK box junction: what they are, how they work, rules for penalties and how to avoid fines

If you're going straight or turning left, you shouldn't stop and wait in a box junction. The only time you should wait in a box junction is if you're turning right and your path is blocked by ...

Or to put it another way, you are not allowed to stop in a box junction. The only exception to the rule is when you are turning right and are prevented from doing so by oncoming vehicles or other ...

A box junction is when criss-cross yellow lines are painted on the road designed to stop cars from blocking a path. The Highway Code states you can face a fine if you're stopped inside a...
