Access datasheets, installation manuals, warranties, and certifications in the TCL Solar Resource Centre, designed for professionals using TOPCon, IBC, and BC panels.

TCL Solar is a global leader in N-Type TOPCon and Back Contact solar technology. Discover high-performance, durable solutions for your home, business, and large-scale energy projects.

TCL HSM-ND66-GR620 605-625 1500V Silver Frame ... Product details ... Measurements ... Attachments

The robust dual-glass construction enhances mechanical strength, increases resistance to corrosion, and extends the panel's service life. With a maximum annual degradation rate of just 0.40%, the ...

\* The additional gain from the back side depends on mounting (structure, height, tilt angle etc.) and albedo of the ground.

The additional gain from the back side of the panel compared to the power of the front side of the panel at the standard test conditions. It depends on mounting (structure, height, tilt angle etc.) and albedo ...

With a size of 2382 mm (L) x 1134 mm (W) x 30 mm (H) and a weight of 33,0 kg, the HSM-ND66-GR620W (BIF, DG) solar module ensures satisfies the requirements for exceptional performance ...

**MADE FOR REAL WEATHER** ⚡; strong frame and cell connection design helps to protect the panels against weather challenges like temperature swings, snow loads, and hail.
