Are solar panels stolen?

By way of example, in August, solar panels worth approximately £10 500 were stolen from an energy farm in Northamptonshire. Solar panel theft is not limited to large scale and commercial solar farms either - homes in remote areas are also vulnerable, with thieves reportedly swiping panels from people's roofs. Why?

Are solar panels causing a spate of theft in the UK?

This specific spate of theft has been triggered by soaring values - particularly in relation to metals and machinery - and the low supply of farm machinery worldwide. And alongside machinery, recent figures from the UK police suggest criminals have set their sights on another lucrative opportunity - solar panels.

Are solar panels a good investment for a small farm?

After all, for a small farm, solar panels are a huge investment. Not only that, but if solar theft is not brought under control, it will delay the country from reaching its net zero goals. With nights growing darker earlier from October, the risk of theft increases, so action must be taken around this issue, and fast.

Three gang members were successfully captured. On May 8 this year, Yangyuan County Public Security Bureau received a public alarm, saying that a theft occurred on a construction site near a village in ...

To effectively combat solar panel theft and vandalism, it's crucial to understand the nature of the threat and the motivations behind these criminal activities.

Solar panel theft is on the rise - discover why it's happening, the real cost to operators, and how security measures can help protect valuable infrastructure.

Someone stole solar panels from a Newport Beach toll road and attempted to sell them on eBay for \$100 each. The Newport Beach Police Sergeant stated that those solar panels were ...

Unfortunately, what should be a virtuous initiative is giving rise to a new crime wave, with police data showing a staggering 48% rise in solar panel and cabling theft from 2021 to 2022.

Solar panels worth \$200,000 were stolen but later were recovered after an investigation in Rancho Cucamonga, according to the San Bernardino County Sheriff's Department.
